

Percussion Audition Requirements

Thank you for your interest in auditioning for the upcoming season! Below you will find a general outline of the audition process followed by placement options.

All percussion audition candidates must pick a solo of your choice on EITHER a mallet or keyboard instrument, snare drum or timpani.

In addition, each person is required to perform on all of the following:

- Snare drum: Rudimental Rolls, flams, paradiddles
- Timpani: Long roll ppp to fff and interval tuning to Perfect **4th's** and Perfect **5th's**

Accepted percussion students are also enrolled in the organization's Percussion Ensemble - a tuition-free program that allow percussionists additional playing time during their regular rehearsals.
